MONA PREPARATORY SCHOOL

INTERNAL ACTIONS TO BE TAKEN BY THE SCHOOL

- We have strengthened our cleaning programme.
- We have increased hand washing and sanitization activities.
- A quarantine plan is in place as directed by MOH/MOE. Should a suspected case be identified the person will be placed in a holding area and the relevant authorities be notified immediately.

NON-CONTACT INSTRUCTIONAL PLAN

- A draft curriculum guide for Term 3 will be posted on the Mona Preparatory School's website.
- All parents/guardians are encouraged to be a part of their class whatsapp group as this medium will be heavily utilized as an information source.
- All text and notebooks should be collected by on Friday, March 13, 2020. No activity should be done unless advised by the teacher.
- If necessary supplemental activities will be provided by the teacher via the whatsapp group and/or email.
- The Ministry of Health has advised that persons who are not sick should not be wearing masks and gloves to school. If a person is considered ill he/she should seek medical attention and will not be re-admitted without presenting a doctor's certificate.
